BY DEPUTY

Case Number 21-14286-MBK

To Whom It May Concern:

i have received notice of Subchapter V plan and Plan Process. Please note that I have medical bills from July 16 that have not been paid. specifically

- ~ \$116k for liver surgery
- ~ \$34k for same day surgery in hospital
- ~ \$3.5k anesthesiologist

I know the surgeon's amount should be paid in network, however I do not know what that amount would be. Had I been aware that Members Health was filing for chapter 11 I would not have had the surgery. I would have postponed the surgery so as not to end up a victim which I currently feel like I am

Consider this my formal objection. As a person living on Social Security this is not a bill I need to be responsible for. All my healthcare premiums were paid on time and in full with the belief that I had coverage.

I do not know if my bills were paid or the amount. There is very little communication and I'm left chasing down all my information.

Please advise how I can move forward and have this handled completely
